

734th Session
Board of Examiners for Professional Engineers and Land Surveyors
October 8, 2013

The scheduled meeting of October 8, 2013 was held at the Board Office, 165 Capitol Avenue, Room 117 in the State Office Building, Hartford, Connecticut.

Anthony L D'Andrea, Chairman called the meeting to order at 9:24 am.

Attending the meeting were: John DeWolf (1) PE, Richard M Szewczak (2) PE, Terry McCarthy (3) PE, Anthony L D'Andrea (4) PELS, AL Regina (7) PM and Rocco V Laraia (8) PM.

Absent were: Robert L Doane (5) PELS Donald J Poland (6) PM, T. Mark Barbieri (9) PM.

Kenneth R Peterson (10) LS, Curtiss B Smith (11) LS and Raymond Redniss (12) LS were excused from the meeting for lack of surveying business

Also present were: Peter Huntsman, Assist Attorney General, Steven Schwane, Attorney for the Department of Consumer Protection and Barbara Syp-Maziarz, Board Administrator.

Motion made by (7) seconded by (1) to approve the August 2013 minutes. Motion carried.

CHRO- None

Legal Division

Attorney Schwane advised the Board of a disciplinary action that occurred in Texas involving a licensee who also holds a license in CT. The disciplinary action was that the licensee was practicing outside of his area of expertise. The Board saw no evidence of pursuing any action, since the project was not in Connecticut and Connecticut is not a discipline specific state.

Motion made by (1) seconded by (8) that the information be placed in the licensee's file and that no further action be taken. Motion carried.

A-Correspondence Received

A-1 Email from Jerry Carter dated 9/3/13. Re: CBT Webinar that was conducted on October 1, 2013 to engineering educators concerning the transition to computer-based training. This information was sent to the Deans of all engineering programs to share with members of their faculty. (Dist. 4)

For information only, no action required.

A-2 Memo from NCEES dated 9/10/13 for state boards to provide additional links to their websites if applicable. (Dist.4)

The Board administrator will contact the department's Information Technology division for assistance.

A-3 Memo from Professional Credential Services regarding the updates to their website in on how candidates need to apply for the FE and FS exams. A discussion with the Board on what language the Board would like to be put the department's website. (Dist. 4)

The Board administrator will provide the following language to the website:

NEW!!! CHANGES TO EXAMS

FUNDAMENTALS OF ENGINEERING (FE) & FUNDAMENTALS OF LAND SURVEYING (FS) EXAMS

Beginning in January 2014 the FE and FS examinations will be delivered in a computer-based format. The examinations will be offered in two month testing windows four times a year. Candidates may only take the examination one time per testing window and no more than three times in a twelve month period.

Connecticut has chosen the automatic model for approval, which is that examinees will be allowed to register directly with NCEES without prior approval by the Board.

FE and FS candidates who would like to be certified in Connecticut may register with NCEES (www.ncees.org) beginning on November 4, 2013. Candidates will pay NCEES the examination fee and will schedule their examination in their NCEES account. Candidates will then take their examination at a Pearson VUE testing location.

Upon receipt of a passing examination status you may apply with the Connecticut Board by obtaining and application at (www.ct.gov/dcp) if you want to become certified as an engineer-in-training or surveyor-in-training. **Please note that you must meet the Board's regulations.**

PRINCIPLES & PRACTICE OF ENGINEERING/ PRINCIPLES & PRACTICE OF LAND SURVEYING/CT 2 HOUR STATE EXAMS:

These exams require prior board approval before you can register with NCEES.

Applications may be obtained from our website at www.ct.gov/dcp.

You must meet the deadline dates for the Board to review and approve applications.

April 2014 exam- Deadline date for application 12/1/13

October 2014 exam-Deadline date for application 7/1/14

D-New Business

D-1 Section 20- Section 21a4 of the general statutes that is repealed and substituted: A discussion to be held by the Board on how they would like to proceed with future reinstatements over 2 years. (Dist. 4)

Attorney Schwane advised the Board that Section 20-Section 21a4 of the general statutes is repealed and substituted with the section regarding the payment of all back fees. However, the Board's Rules and Regulations are specific to conditions for up to five years that a license has lapsed.

Therefore the Board and department will process reinstatements as follows:

Licenses that have lapsed 1-5 years

- a) Must submit an updated employment history or resume documenting the work experience during the lapsed period.**
- b) A notarized statement stating whether or nothe/she has not signed or sealed any engineering/surveying documents in the state of Connecticut since the license lapsed.**
- c) If the applicant has signed or sealed documents during the lapsed period, they must provide the types of projects and dates when this occurred.**
- d) Payment of all back fees.**
- e) The department may reinstate the license without Board approval as long as the individual has not signed or sealed engineering/land surveying projects during the lapsed period.**
- f) Individuals who have signed or sealed during the lapsed period, must be reinstated by the Board.**

Licenses that have lapsed over 5 years

- a) Must complete a new application**

- b) **A notarized statement stating whether or not he/she has not signed or sealed and engineering/surveying documents in the state of Connecticut since the license lapsed.**
- c) **If the applicant has signed or sealed documents during the lapsed period, they must provide the types of projects and dates when this occurred.**
- d) **Payment of all back fees.**
- e) **Reinstatements over 5 years must be reinstated by the Board.**

Attorney Schwane stated that this applies to licensees who have allowed their licenses to lapse.

The procedure for those who surrender their licenses under the new public act, which is being written into regulation will require another process .

Those that write a letter of intent to surrender their licenses will be able to renew their licenses without penalty. This applies to professional engineers who do not work or reside in Connecticut. Those that allow their licenses to lapse without any letter of intent will follow the reinstatement process and could be subject to penalty if found practicing with lapsed license.

D-2 List of applicants who passed the April 2013 Principles and Practice of Engineering Exam and will be issued licenses upon payment of initial license fee. (Dist. 2)

Reinstatement

Schmid, Raymond P-License lapsed 1/31/08-Completed new application and provided a notarized statement of not signing or sealing during lapsed period.

Motion made by (3) seconded by (7) to approve reinstatement. Motion carried.

Abou-Sabh, Sharif -License lapsed 1/31/95- Completed new application and provided a notarized statement of not signing or sealing during lapsed period.

Motion made by (3) seconded by (7) to approve reinstatement. Motion carried.

Shapiro, Ian-License lapsed 1/31/02-Completed new application and provided a notarized statement of not signing or sealing during lapsed period..

Motion made by (3) seconded by (7) to approve reinstatement. Motion carried.

Zuluaga, Marc-License lapsed 1/31/07-Completed new application and provided a notarized statement of not signing or sealing during lapsed period..

Motion made by (3) seconded by (7) to approve reinstatement. Motion carried.

Rawji, Azim-License lapsed 1/31/12 –Updated employment history and provided list of projects that were signed during the lapsed period.

Motion made by (3) seconded by (8) to approve reinstatement. Motion carried.

Sevincgil, Huseyin-License lapsed 1/31/13 –Updated employment history and provided list of projects that were signed during the lapsed period.

Motion made by (3) seconded by (8) to approve reinstatement. Motion carried.

Witek, Mark J-License lapsed 1/31/13 –Updated employment history and provided list of projects that were signed during the lapsed period.

Motion made by (3) seconded by (8) to approve reinstatement. Motion carried.

RECONSIDERATION

Milender-Kenneth W-Application was reviewed by the Board on 8/13/13 and denied based on the lack of a basic engineering degree. Mr. Milender wrote a letter and provided transcripts to the board requesting that the board reconsider his application. (Dist. 2)

The Board reviewed Mr. Milender letter and transcript and determined that his education is not consistent with the Board’s policy and voted to affirm their previous decision of denying his application based on the lack of engineering degree.

Motion made by (1) seconded by (2) to deny application. Motion carried.

Wiser, Jack L- Application was denied by Board based on lack of a basic degree in engineering. Applicant is seeking reconsideration under Class 3 requirements.

Motion made by (1) seconded by (3) to affirm the Board’s previous decision of denying the application based on the lack of an undergraduate degree in engineering, which is consistent with the Board’s practice and policy. Motion carried.

Motion made by (7) seconded by (8) to adjourn. Motion carried.

Meeting adjourned at 10:35 am

The next meeting is scheduled for November 19, 2013.

Respectfully reviewed by:
Anthony L D’Andrea, P.E. & L.S.
Chairman

Respectfully submitted by:
Barbara Syp-Maziarz
Licensing & Applications Specialist
